

NORTH VALLEY  
ARTS  
COUNCIL

Grand Forks City Council  
Post Office Box 5200  
Grand Forks, ND 58206

Dear Grand Forks City Council,

Please accept my sincere thanks for your support of Greater Grand Forks arts and culture. The resources that you allocate to the North Valley Arts Council (NoVAC) provide critical support to our arts community.

The funds that you allocate to NoVAC are re-granted to arts and cultural organizations through a competitive grant process. With these grant awards, arts organizations produce outstanding arts and cultural performances, exhibitions and other events throughout the year – the North Dakota Museum of Art coordinates its exhibition series; the Greater Grand Forks Symphony Orchestra brings high-quality musical entertainment to our region; and the North Dakota Ballet Company provides excellent dance instruction to students. These are only a few of the many ways in which your financial support makes a difference in our community.

Your support also provides significant operating resources to NoVAC – the region’s leading arts advocacy organization. Your commitment is essential to NoVAC’s ability to support arts and culture through service, advocacy and education. With your financial support, NoVAC can advocate for the arts, offer professional development opportunities to arts professionals, and provide information resources and communication networks to the Greater Grand Forks community.

Thank you for your support!

Sincerely,
